To all who gave so generously of their time, money, and encouragement we extend a warm Thank You! Our very successful Open House on June 3 attended by 67 persons would not have been possible without your support.

and paperbacks.

The Center Library will be open Town Meeting Day until 5 P.M. We hope to have a new Card Catalog on display.

Edith Locklin, Center Librarian since 1967, retired in March. Her patience and cheerfulness will long be remembered. Lisa Campbell was welcomed as librarian but, alas, had to leave in June. Marion Allen became librarian in August.

Our Spooky Story Hour on October 30 with Peter Allen was so successful we hope it will become an annual happening. A Christmas Story Hour was presented December 20.

Children's Book Week was celebrated with posters, bookmarks, and films on November 18. This year all the childrens film programs have been shown at the Town Hall as there are no shades in the Community Center.

Walter Walker, of the Town History Committee, made a display for each library of leather tanned in Wilmot.

A new magazine rack was purchased for the Flat Library. Thanks go to Lewis Loomer for stain and the finishing of this bookcase. "Ranger Rick's Nature Magazine", has also been added this year.

Marion Allen attended a 10 week course on Reference Book Selection at Plymouth State College in the spring.

Unfortunately, Mr. Richard Webb, who had offered last February to pay the heating bill at the Center Library for the next 3 years, stopped payment in December, 1972.

WILMOT VOLUNTEER FIRE COMPANY, INC.

To the Townspeople of Wilmot, N. H.

This is a financial report of the Wilmot volunteer Fire Company Inc., including the town of Wilmot 1972 appropriation and money raised by the members of the Fire Company.

In 1972 we made additions to our department with trucks and equipment. We purchased a 1956 F900-750 gallon Pumper (Ford). We secured from the Civil Defense a 1952-10 Wheel Army Surplus G.M.C. Truck. This truck we are equipping with a 1300 Gallon Steel tank and Pump to be used in Forest Fire Fighting Service and when ever needed in fighting fires. This work is being done by the members of the Fire Co. These new additions to the Fire Company was made possible by a fund raising drive with the support of the townspeople both permanent and summer residents. To complete these projects we borrowed from The Franklin National Bank \$3,500.00.

We installed a Short Wave Radio in our station to be in contact with our own trucks at fires and also in use with our Mutual Aid of the towns in the Kearsarge Regional School District which we are a member. We changed our RED SYSTEM PHONE CALL SYSTEM to report fires by telephone. We have now 11 phones in the houses of firemen to better alert the firemen to fire calls.

The members of the Wilmot Volunteer Fire Company Inc. wish to thank the townspeople and everyone who has been of assistance to us for their cooperation and assistance in helping us in our various projects that we have undertaken to give us a better Fire Company.

Sincerely yours,

STANLEY RAYNO ,CHIEF

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-Town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief, is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit,

free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire. Remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only YOU can prevent a forest fire.

Number of fires reported and acres burned—1972 season:

STATE	410 fires	361 acres
DISTRICT	33	10.7
TOWN	0	0

CEMETERY COMMISSION REPORT

Significant progress was made this year towards improvement of our town cemeteries.

1. Bunker Hill has been surveyed and the survey map shows that we have 132 lots available. Markers have been placed at the corners of each lot. The lots are 12'x14', they are laid out so that each one is accessible by either road or walkway. The Cemetery Commission in the coming year will draw up contracts for the lease or sale of these lots.
2. Work has started at Eagle Pond Cemetery. All stones have been repaired, lined up and set in concrete foundations. Soil improvement and the planting of grass is the next project for this cemetery.
3. All cemeteries were mowed regularly, thanks to additional money voted for this purpose last year.

The budget recommendations for cemetery maintenance and capital outlays for 1973-1974 is as follows:

- | | |
|---|-----------------------------|
| A. Headstones — repair and place on foundations. | Estimated Cost \$ 100.00 |
| B. The Bunker Hill fence which runs along the road should be replaced with a fence in keeping with town pride in its primary cemetery and gates installed or repaired at North Road and Tewksbury Cemeteries. | Estimated Cost 1,800.00 |
| C. Reclaim Stern Cemetery. | Estimated Cost 50.00 |
| D. Soil improvement for all cemeteries | Estimated Cost 200.00 |

E. Regular mowing of all cemeteries

Estimated Cost	900.00
----------------	--------

F. Miscellaneous fund for printed matter for
records, deeds, etc.

Estimated Cost	100.00
----------------	--------

TOTAL ESTIMATED COST

	<u>\$3,150.00</u>
--	-------------------

We feel that by the end of 1973-1974 there will be an established program for the sale or lease of lots in Bunker Hill and for continued maintenance of all cemeteries.

Kearsarge Visiting Nurse Association Report

This is the second full year that the Kearsarge Visiting Nurse Association has provided nursing care services and physical therapy to residents of Bradford, Danbury, New London, Springfield, Sutton, Warner, and Wilmot. Andover joined in April, 1972.

Statistics for 1972 are:

total visits, 1,043;

total mileage, 11,800.

There were 653 visits for a conference with a family or individual for education and guidance. This service includes assistance in the obtaining and use of auxiliary equipment, pre-natal and newborn care, disease prevention to the well adult, and follow-up of the handicapped and mentally retarded. Communication and referrals are constantly made with welfare agencies, nursing homes, mental health clinics, hospitals, physicians, social workers, selectmen, schools, police, and the alcohol and drug abuse program. There is no charge for these visits.

Ten immunization clinics were held in New London and Warner with no charge to the individual. Totals: 616 immunizations were given to 392 children.

There were 390 visits for skilled nursing care, which includes care of catheters, colostomies, dressings, heart and lung exams, blood pressure checks, injections, medication supervision, foot and nail care, etc. Physical therapy was also provided in the home, mainly to stroke patients. These visits are ordered by the physician and there is a fee.

Regardless of ability to pay, service is provided. The agency is sometimes reimbursed by Medicare, Medicaid, American Cancer Society, and other insurances.

Referrals and cases are received from various sources such as: patient himself, family, neighbor, friend, hospital, physician, welfare agency, police, churches, other VNA's and organizations.

Town appropriations (on a per capita basis) and contributions are necessary to provide the no charge visits, clinics, and services to the patients unable to pay.

We appreciate all the donations of clothes, medical equipment and other items we have received which have assisted us in starting a loan closet for our patients.

We look forward to increasing our services next year so that we may provide health care to a greater number of area residents.

The Board of Directors of the Agency is made up of two persons from each participating town. Wilmot's Board members this year are Mrs. Earle W. Chandler and Mrs. James Cave.

Respectfully submitted,

MRS. LOIS SPEARMAN, RN
